The Hall Supporters Club

The trustees are also mindful of their responsibility under health and safety legislation and to ensure nobody is discriminated against. The Hall is fitted with ramp access, disabled toilet and hearing loop for the hard of hearing. These and other improvements come at a cost and the Hall organises fund raising throughout the year. It also runs a Supporters Club. Members pay £5 once per year, many members have two numbers, and there is a draw every week throughout the year, except for Christmas week, for a prize of £10. So if you only have one flutter this year why not join the Supporters Club by phoning **James on 230 757**. James will allocate numbers to you and organise a collector who will call at your house once a year for your money, or, to present you with your winnings. What could be simpler? So if you are not a member why not phone James today.
