Dear Sir/Madam

Crafthole Village Improvements

Cormac Solutions on behalf of Cornwall Council is inviting comments on a proposal for a number of improvements to roads throughout the village of Crafthole. These will include:

- Removal of a pair of speed cushions on the B3247 next to The Anvil.
- Installing two sets of double yellow lines on B3247 between the mini roundabout and the Finnygook Inn.
- Expanding the existing parking bay opposite the Finnygook Inn into the verge to allow for parking of 8 vehicles.
- Installation of a new concrete kerb alignment around the junction between Finnygook Lane & B3247 with dropped kerbs to retain the pedestrian crossing point.
- Formalising the existing parking area on Finnygook Lane near Burns View with a tarmac parking bay and removal of the single yellow line on the outside of the bay.

Please see plan Infra23-041-SN_02 for further details.

If you have any comments to make on the proposals, I would be grateful to receive them no later than:

12th June 2024
